

AS715

- **New High-efficiency aluminium boiler**
- **High-efficiency turbo brush included**
- **Eco-Active Filter water filtration**
- **Washable HEPA filter**
- **Made in Italy**

System	Continuous refill
Max pressure	5 bar
Pressure switch	Yes
Steam output	Up to 110 g/min
Steam adjustment	Yes, on 5 levels
Boiler material	Special Extra Alp aluminium alloy
Boiler volume	1.5 l
Use capacity	Unlimited
Water tank capacity	0.5 l
Steam ready indicator	Yes
Low water level indicator	Yes
Vacuum function	Yes
Suction capacity	21 kPa
Suction adjustment	Yes, on handle
Filtration	Eco-Active water filter
Dirt collection tank capacity	1.2 l + 1.8 l
HEPA filter	Yes
Parking System	Yes
Boiler power	1100 W
Motor power	1200 W
Max power	2200 W
Dimensions (WxDxH)	52 x 36 x 34 cm
Weight	10.5 kg

Retail \$1450.00 + GST

Energy saving

The new aluminium boiler of AS 715 only requires 1100 W instead of 1250 W required by the old stainless steel boiler. The result is a shorter warm-up time and a 20% energy saving.

High-efficiency turbo brush

Enhances suction capacity and allows a good energy saving. It is perfect to clean carpets and moquettes and to remove pets' hairs.

Continuous refill

AS 715's continuous refill system ensures an unlimited working autonomy.

Eco-Active water filter

The special water vortex of Eco-Active Filter traps the dirt and retains it in water, preventing dust to be released back into the environment.

Washable HEPA filter

The HEPA filter stops impurities, pollens and dust mites.
