### Eco-Active water filter

The special water vortex of Eco-Active Filter traps the dirt and retains it in water, preventing dust to be released back into the environment.

### The British Allergy Foundation

awarded Lecologico its "Seal of Approval" for the effectiveness of this product in eliminating mites.

**The HEPA filter** retains impurities, including pollens and dust mites.

**Polti** lives up to the promise of Italian-made quality.

### Continuous refill

The System Pro's continuous refill system ensures an unlimited working autonomy.

**Powerful 5 Bar** maximum pressure.
